

### **Dolphin Swim Team of Bermuda WAIVER 2019-2020**

As the parent/guardian of a Dolphins Swim Team swimmer, who is under the age of 18, I understand that there are dangers involved in swimming and related activities and I hereby indemnify and hold harmless the Dolphin Swim Team of Bermuda, the Executive and Management Committee(s), swimmers, coaches, volunteers, sponsors ('the Team'), together with the management and staff of any pools and facilities used for any activities; from any and all liability resulting from any injury to, or the death of, the swimmer whilst participating in any training, racing or other event or activity whatsoever associated with, or organized by, the Team or any of its officials or members and from any claims for damages or loss, to person or property howsoever arising.

I certify that the swimmer is of sound mental and physical health and capable of participating in the swim programme. In the event of illness or injury, Dolphin Swim Team of Bermuda has my permission to arrange for medical care.

#### **AGREEMENT and UNDERSTANDING**

I have read the 2019-2020 Dolphin Swim Team Code of Conduct individually and with my swimmer and agree to abide by it.

I understand that the Dolphin Swim Team relies upon its members to volunteer throughout the swim year and I agree to take the necessary training and to volunteer (or provide a volunteer) a minimum of four times during the swim year.

I consent to the use of images of my swimmer for the Dolphin Swim Team website or for Dolphin Swim Team marketing purposes.

I understand that registering my swimmer for the Dolphin Swim Team 2019-2020 swim year is evidence of my agreement to this waiver.
